## Vancouver Ready to Welcome the World Of Dermatology!

**June 8<sup>th</sup> – 13<sup>th</sup>, 2015**

### A Truly Unique Global Dermatology Experience

Speakers and delegates from six continents representing 157 official dermatology organizations will be converging on Vancouver in June 2015 for a special global celebration of dermatology. This is your opportunity to learn the best of what the world of dermatology offers to your clinical practice through symposia, workshops, courses, debates, and informal networking.

### Program Calendar

The complete, interactive WCD2015 Program Calendar is now available online. Access full speaker & topic listings at [www.derm2015.org](http://www.derm2015.org).

- **The World's Longest-Running Dermatology Congress** – Taking place once every four years, the history of the WCD dates back 125 years to the first international dermatology congress that was held in Paris in 1889
- **The Congress will feature** over 200 sessions, 1500 speakers and 3500 abstracts.
- **A Friendly and Beautiful Host City** – Vancouver is a top international tourist destination. It's also a safe and cosmopolitan city that is easy to enjoy with family and friends. Many delegates are taking advantage of the extensive WCD Tour Program.

**Join the conversation on Twitter, Facebook and Instagram!**
