ERRATUM

In: Stockfleth E, Sibbring GC, Alarcon I. New Topical Treatment Options for Actinic Keratosis: A Systematic Review. Acta Derm Venereol 2016; 96: 17–22 a sentence in the Abstract is incorrect. The changes are highlighted in the following sentence: Despite a higher vehicle response rate for 5-FU/SA, complete clinical clearance was higher than IMB and IMI (55.4, 42.2, and 25.0–30.6/34.0–35.6% respectively).
